AUDIT REPORT ON THE ACCOUNTS OF THE INDIAN CENTRAL ARECANUT COMMITTEE FOR THE YEAR 1961-62 :—

Inadequacy of control exercised by the Committee over the grants paid.

The Committee is giving financial aid in form of grant-in-aid to different organisations and institutions engaged in growing, curing, processing, grading, marketing and manufacturing of arecanut and its products. This expenditure is mainly financed by grants-in-aid from Government of India; the Committee receives small amounts by way of receipts from Nurseries, Research Station etc. During 1961-62, a sum of Rs. 10·06 lakhs was received from the Government of India; the amount received from other source was Rs. 2·62 lakhs.

The organisations or institutions to which grants are given are required to furnish 'audit certificates in the case of Government sponsored schemes and utilisation certificates in the case of non-Government bodies'. It is, however, seen that 91 audit and utilisation certificates covering an amount of Rs. 5·81 lakhs were due (March, 1963) in respect of grants paid from 1956-57 to 1961-62.
